Let's Just Play Giveaway Sweepstakes is a unique grant-giving program that empowers kids to partner with adults for a chance to win \$5,000 awards to support fitness, recreation and nutrition programs at their schools and community-based organization. Kids between the ages of six and 15 nominate their school or community-based organization by explaining why they need more resources.

In the past two years, Nickelodeon has awarded \$2.2 million in awards to more than 400 schools and community-based organizations nationwide. These awards have been used to fund a vast array of projects, including the purchase of sports equipment for 115 programs, the rebuilding of 114 playgrounds, the support of 41 athletic programs, the purchase of 29 rock climbing walls, and the support of 17 nutrition programs.
